

GENERAL PROCUREMENT NOTICE

CAMBODIA

Solid Waste and Plastic Management Improvement Project

Environment, Natural Resources & the Blue Economy

GENERAL PROCUREMENT NOTICE

Credit No. IDA-7292-KH and PROBLUE TF

Project ID No. P170976

The Kingdom of Cambodia has received financing in the amount of US\$60 million equivalent from the World Bank toward the cost of the Cambodia: Solid Waste and Plastic Management Improvement Project, and it intends to apply part of the proceeds to payments for goods, works, non-consulting services and consulting services to be procured under this project. This project will be jointly financed by the Global Program for the Blue Economy Multi-Donor Trust Fund “PROBLUE”.

The objective of the project is to improve solid waste and plastic management in selected areas. The project will include the following components:

- (1) Institutional Strengthening for Solid Waste and Plastic Management
- (2) Integrated Solid Waste and Plastic Management, Planning, Monitoring, and Capacity Building for Participating Provinces and Municipalities
- (3) Solid Waste and Plastic Management Infrastructure

Below is the summary description of the works and consulting services to be procured through open international competitive procurement:

Description	Estimated Cost (in US\$ million)	Procurement Method	Domestic Preference
Procurement of Works			
Landfill Investment in Siem Reap, Kampong Spue and Kandal Provinces as well as transfer stations and materials recovery facilities (MRFs)	46.51	International Competitive Bid	No
